

ACTION Lunch Series:

# Understanding the HIV Epidemic in DC

Thursday, August 9<sup>th</sup> at 1:00 PM

## National HIV Behavioral Surveillance

**Manya Magnus**, Ph.D., M.P.H., Department of Epidemiology and Biostatistics The George Washington University School of Public Health and Health Services

National HIV Behavioral Surveillance gathers information about individuals at high risk for HIV . This year, the study known locally 'Word Up', looks at heterosexuals at high risk for HIV, other populations will be looked at in future studies. Join us to learn more. DC CARE Consortium, 1156 15<sup>th</sup> Street NW, Suite 500. RSVP to David Mariner at [dmariner@dccare.org](mailto:dmariner@dccare.org) or 202 223-9550.

Thursday, September 13<sup>th</sup> at 1:00 PM

## The Youth Risk Behavior Survey

**Marc D. Clark**, Ph.D. Director, Health Operations, DC Public Schools

The Youth Risk Behavior Survey helps us better understand young people in the District and what behaviors may put them at risk for HIV. Join us for a preliminary look at the 2007 Youth Risk Behavior Survey information, including never before asked questions about lesbian, gay, bisexual, and transgender (LGBT) youth in our city. DC CARE Consortium, 1156 15<sup>th</sup> Street NW, Suite 500. RSVP to David Mariner at [dmariner@dccare.org](mailto:dmariner@dccare.org) or 202 223-9550.

Thursday, October 11<sup>th</sup> at 1:00 PM

## DC 2001-2006 HIV Surveillance Report

**Tiffany West-Ojo**, MPH, MSPH, Interim Bureau Chief, Bureau of Surveillance and Epidemiology HIV/AIDS Administration

The 2001-2006 HIV Surveillance Report will be released towards the end of September. Join us for a detailed look at this important new information about HIV and AIDS cases in the District of Columbia. DC CARE Consortium, 1156 15<sup>th</sup> Street NW, Suite 500. RSVP to David Mariner at [dmariner@dccare.org](mailto:dmariner@dccare.org) or 202 223-9550.
